### ASF – Adrenal Support Formula

ASF is an essential vitamin and botanical combination to support and improve adrenal function. By supplying essential nutrients utilized by the adrenal glands, ASF assists in the regulation of both physical and emotional stress.

***Indications:***

## Premium D1000

This vitamin D is a natural food supplement that delivers exceptionally greater potency and effectiveness than conventional vitamin D supplements. Premium D1000 contains all the essential metabolites and co-factors necessary to make the vitamin D a complete nutrient, thus preventing toxic build-up and ensuring a readily absorbable and highly usable form for the body.

### *Indications:*

Bone support

Osteoporosis

Muscle weakness

Osteoarthritis

Hypocalcaemia

Immune system

## Probiotic 7-in-1

This shelf, heat and acid stable probiotic formula has been uniquely designed to incorporate several different forms of healthy bacteria. These bacteria resist the negative actions of oxygen, gastric acid, and bile salts on probiotic viability, thus ensuring balanced colonization of these seven strains throughout the small and large intestine.

### *Indications:*

Dysbiosis

Diarrhea

Constipation

Immuno-modulation

## Solidago

Solidago is a homeopathic preparation for detoxification and support in acute and chronic affections of the bladder and kidneys. It stimulates diuresis and excretion of waste products through the urine, halts cramps of urinary passages, protects epithelium coating and prevents the formation of kidney or bladder gravel/stones.

### *Indications:*

Cystitis

Urine retention

Acute and chronic infections

Pyelitis

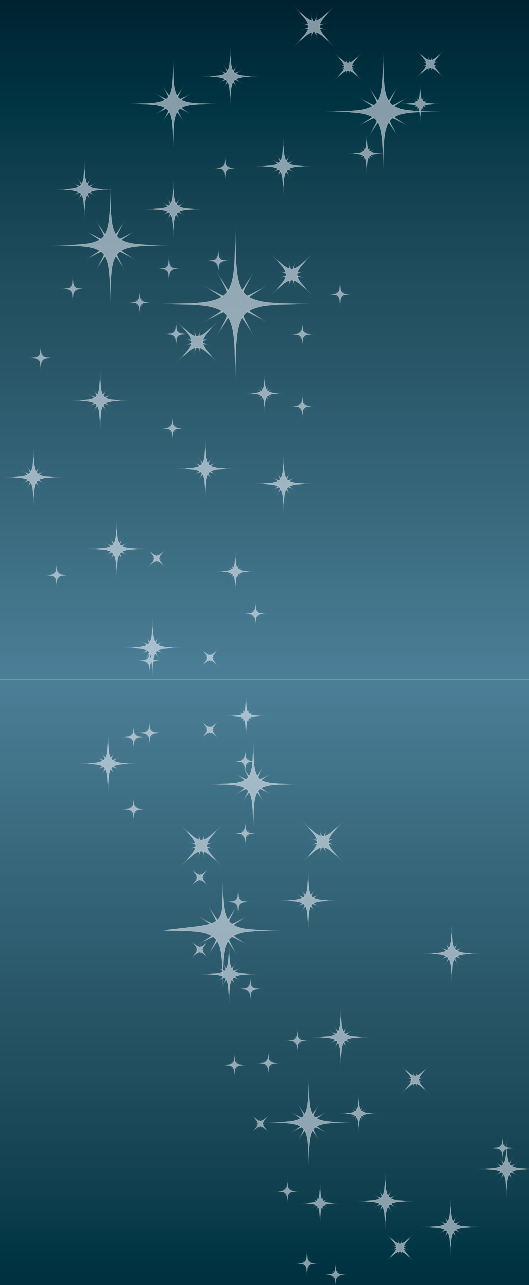

Prostate health

Kidney and bladder gravel
