In this one-day seminar you will learn:

- The connection between subconscious emotional conflicts and successful treatment of recurring chronic conditions.
- Hands-on operation and use of the REBA test device in identifying energy blocks, emotional conflicts, geopathic stress, sympathetic and parasympathetic nervous system dysfunctions.
- Understanding, identifying and overcoming geopathic stress
- Acute conditions (anxiety, stress, nervous tension) and their resolution
- Treatment using specific combinations of homeopathic remedies

This seminar will introduce participants to organ testing and checking patient compatibility of supplements and prescriptions with the REBA test device.

Through a combination of lectures, demonstrations and hands-on participation, seminar participants will learn all the basics required to incorporate PSE into their daily practice and to enhance patient care.

Dr. Mike Kessler
D.C.

has written, lectured and conducted seminars extensively on the integration and use of cutting edge bio technologies. He has found through clinical experience

that Psychosomatic Energetics is the missing link in dealing with all health issues. His passion for PSE makes his seminars practical and lively.

Reimar Banis
MD, ND

For over 30 years, Dr. Banis has lectured and written articles on foci, chakras and energy medicine. He is the originator of Psychosomatic Energetics (PSE), the creator of

the accompanying Rubimed complex homeopathic remedies and, in conjunction with Dieter Jossner, created the Reba Test Device. Today he is recognized as one of the world's foremost authorities in energy medicine in Europe and North America.
